IN THE HIGH COURT OF JUDICATURE AT BOMBAY

ORDINARY ORIGINAL CIVIL JURISDICTION

WRIT PETITION NO.1293 OF 2005

Darryn Bipin Kansara. ... Petitioner
v/s.
State of Mah. & ors. ... Respondents

Mr.M.V.Limaye for petitioner.

CORAM : H.L. GOKHALE &
S.C.DHARMADHKARI, JJ.

DATE : 5th May 2005

P.C. :

1. Mr.Limaye has produced the papers of this matter. The petitioner was admitted to an Engineering Course in a reserved seat in the year 2003. This petition was filed one year later i.e. in May 2004 when an ad-interim order was passed protecting the education of the petitioner. The Committee was directed to complete the scrutiny within three months. We are not aware as to what steps the petitioner has taken after the ad-interim order was passed. However, it is seen from the record that the petition came to be dismissed for not removing the objections on 12th April 2005 and that is how it has been numbered. We do not know whether the objections are removed

or otherwise. Now, we are shown a letter dated 19th April 2005 informing the petitioner that since he has not obtained the caste validity certificate, his admission is liable to be cancelled. The petitioner may place all these facts on affidavit because without which we cannot find fault with the Scrutiny Committee or with the College.

2. Matter be listed for admission after the affidavit is affirmed and served on the College as well as the Scrutiny Committee.
